What do we offer?

1 Steel Borehole Casings

Our Steel is imported directly from the mills, there is no middle man in our supply chain. You will receive exactly as ordered.

2 Upvc Borehole Casings

Currently our Upvc is made in 3 different countries and each kind serves its purpose. We stock all common sizes however many customs sizes are manufactured on demand.

3 Johnson Screen Casings

Johnson is American made and the global leading manufacturer of stainless steel and PVC well screens for water well, environmental, and oil & gas applications.

4 Downhole Drilling Solutions

Our products are manufactured in S.A and comply with international standards by using Premium ASTM seamless 4140 tube & heat treated alloy steel for tool joints.

5 Oil & Gas OCTG Solutions

Our preferred partner is the global leading manufacturer of all high quality types of pipe products including oil and country tubular goods (OCTG).

6 Resource Consultation

We empower you by connecting you to the highest rated hydrogeologist, drilling contractor, and water installation support & tech solutions Namibia has to offer.
